NEW: Magna-Tile Club for "Tweens"

Thursdays 4:30PM, starting October 5

Magna-tiles are a fun and easy way to build interesting creations. Not recommended for children under 3, but embraced by folks age 3 to 103, they have been a hit at any event we've held where they were offered. We're focusing this first Magna-Tile club on "tweens" in grades 4-8, but may offer clubs for other age groups if there is an interest.
