Got News??

Library staff member Debby Faner at our new printer!

New Printer, Better Newsletter!

Thanks to a grant from the Meyersdale Wind Farm Fund of the Community Foundation for the Alleghenies and funding from our Friends of the Library, we have a new printer! It allows larger paper to be used, and cuts our per-copy costs for printing!

Another benefit: Due to the lower printing cost, we are offering four free black-and-white printouts (or two color printouts) when people use our copier services or print from our computers. This is offered, in part, to help those short on cash who have an urgent need to print some paperwork, but not compete with professional printing services for more substantial printing needs. (Please don't break a project into multiple trips in an effort to get multiple freebies!)

July 20, 2023

Volume 2, No. 29

FREE: Please take one, and one for a friend!
