Honor Society shares Blooms of Hope

Daffodils are a sign of spring, renewal and hope. The Meyersdale Area High School Chapter of National Honor Society (NHS) is now sharing these special symbols through their annual Blooms of Hope fundraiser.

NHS members will be taking orders for single and bunches of daffodils, as well as potted daffodils, through February 26. Meyersdale NHS students have raised more than \$30,000 since the inception of this annual campaign, first known as Daffodil Days. Orders will be delivered on March 14.

More than \$17,000 was raised last year by schools including MAHS, individuals, families, businesses, organizations and churches. To date, the Blooms of Hope contributions have served 137 patients throughout Somerset County. All proceeds remain in this area, benefiting Somerset County cancer patients through assistance with medical bills and associated costs for treatments and hospitalizations. All checks should be made payable to Blooms of Hope.

If you would like to support this important and special initiative, please contact an MAHS NHS member. (Source: MASD website)
