Walk for Water

June 20, 9AM, Meyersdale Train Station

This is the 4H community service learning project of Brinly Green. It is a 5K walk (not a race) with each participant carrying a gallon of water, to experience what people in many parts of the world must do to have water ...water that often isn't safe, and many end up sick because of the bacteria in the water. The walk will fundraise for the H2O for Life Organization, which funds the drilling of wells in areas of the world where safe water is needed.
