SCHOOL NEWS

6th Annual Red Raider Walk-a-Thon

Meyersdale Area Elementary School is excited to participate in the 6th Annual Red Raider Walk-a-Thon on September 22.

This annual event, sponsored by the Meyersdale Area Elementary Educational Boosters, has raised more than \$51,500 in six years.

Kindergarten through fifth grade students will be seeking sponsors for their efforts, as well as flat donations. Students in kindergarten and first grade will have 30 minutes to walk as many half-laps as they can. Older students, those in second through fifth grade, will have one hour to complete as many full laps as they are capable. Following the walk-a-thon, each student will be given a tally of the laps they have completed.

Wayne Conklin, of Music Express, will be volunteering, providing music and fun.

Members of the National Honor Society will be offering cheers and support to the students and preparing sno-cones as treats.

Pledge forms and donations are due at the school by Fri., Oct. 6. Please make checks payable to the Meyersdale Area Educational Boosters. Donations are tax-deductible.

Funds raised will directly benefit students in a wide variety of ways. The Boosters support classroom projects, field trips, special events and activities and much more.

The Meyersdale Area Elementary Educational Boosters meet the third Monday of each month, 3PM. in the elementary forum. Family members of students in grades K through fifth grade are invited to attend. For more information please contact the Meyersdale Area Elementary office at 814-634-8311.

MASD Recycling

Students are collecting the following items: aluminum cans, glass, cardboard, office paper, newspapers, magazines, Plastic #1 and #2 (empty and clean), and plastic shopping bags. The following items are NOT accepted: milk cartons, tin foil, pencils and loose garbage. If the shed is locked, it is full and donations will be accepted after it is emptied.

Please make drop-offs in the solid red shed, not the old softball shed with white trim, and drop off items after school hours.

SALISBURY-ELK LICK SCHOOLS

Tuesday, September 19, 2023 at 6 pm

With Kaylyn Miller

Please RSVP to the Elementary Office No Later Than Friday, September 15th.

150th Anniversary Planning

Next meeting: September 18, 6PM at the Library

LEGO CLUB for GRADES K-5

Fun building things!

Every Wednesday, 4:30 PM

New Magna-Tile Club For grades 4 through 8 Thursdays, 4:30 PM Starting in October, 2023

Magna-tiles are a fun and easy way to build interesting creations. Not recommended for children under 3, but embraced by folks age 3 to 103, they have been a hit at any event we've held where they were offered. We're focusing this first Magna-Tile club on "twins" grades 4-8, but may offer clubs for other age groups if there is an interest.
